Welcome to the IV. INTERNATIONAL IMPLANTOLOGY DAYS

Powered by ted.com

Dear Colleagues and Friends,

we are honored and pleased to invite you to the
IV. INTERNATIONAL IMPLANTOLOGY DAYS,
a congress initiated by the HL-Academy Baden-
Baden, Germany, (a Seattle-Study-Club Organisation).

Under the flag of comprehensive dentistry and
internationality, we update every year with the
newest trends, technologies and techniques.
Our target is to spread the knowledge and highest
standards of treatment, free from geographical and
linguistic borders.

We are glad to have as guests and lecturers the most
talented and skilled leaders in dentistry. Innovative
minds and talents of the clinical and technical dental
world as well as the support of leading industrial
partners.

Our congress has the motto:

» THE FUTURE STARTS NOW «

You will have opportunity to hear the latest news
on the following subjects:

- The smile design
- Implant world
- Digital dental world
- The newest scientific research in biology
and biomaterials

We welcome you to spend 3 days of the highest level
of education in a professional, international and warm
ambiance.

Join us and enjoy the after work and evening
programs in the noble and rustical atmosphere of the
lovely city of Baden-Baden.

Sincerely,
Henriette Lerner and the Team of HL-Academy
