Scientific Dental Alliance

The 14th Global Scientific Dental Alliance (GSDA) Meeting

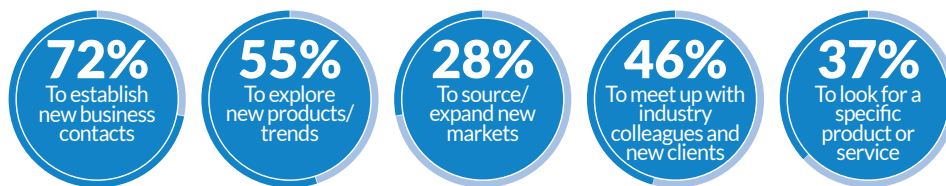

The GSDA meeting was held on the 8th of February 2017 with more than 130 representatives and directors of dental associations from more than 92 countries. The meeting was presided by Dr. Abdul Salam Al Madani the Executive Chairman of AEEDC Dubai Conference and Exhibition and the GSDA, and Prof. Abdullah Al Shammery, Scientific Consultant of the Executive Board of Council for the Health Ministers of the GCC States and the Scientific Chairman Global Scientific Dental Alliance, Dr. Nasser Al Malik, Scientific Chairman of AEEDC Dubai and Dr. Tariq Khoory, Honorary Chairman of AEEDC Dubai and a number of dignitaries.

This year, the Global Scientific Dental Alliance have witnessed new members from Mauritania, Morocco, China, Guatemala, and Egypt. The GSDA meeting is considered a great scientific meeting held annually to discuss the latest scientific researches and put forward new innovative ideas and recommendations to improve the scientific program for AEEDC Dubai in the coming editions, as it attracts top-notch academia, officials, and thought-leaders in the dental field from all over the world.

Visitors and Participants Breakdown by Categories

Area of Industry

"We are happy to be here in AEEDC Dubai, we love AEEDC Dubai there are lots of different people from different countries. You should come to AEEDC Dubai, this is the best show in the world and I will see you in 2018."

Sam Yap
Sales Manager
Apixia Corporation - Taiwan

"I am very pleased to participate in AEEDC Dubai. It is not my first time, I came here as speaker 2 years ago from United Kingdom, it was a pleasant experience and I enjoyed it so much. Luckily this year, a lot of our postgraduates are participating as speaker and also for posters showing the latest research and developments in Oral Surgery and other specialties as well. It is excellent and very beneficial participation in AEEDC Dubai, you are not only contributing by your own knowledge but, you learn so much from people all over the world. You see multi-cultures and multi-disciplines, it is very good for continuous professional development. Keep up the good work."

Dr. Abdel Rahman Tawfik
Assistant Professor, Oral Surgery Department
Mohammed Bin Rashid University of Medicine
and Health Sciences (MBRU) - UAE

AEEDC Dubai Night

AEEDC Dubai Night was held at the Le Meridien Hotel in Dubai on 8th of February 2017, celebrating 21 years of great achievements for AEEDC Dubai Conference and Exhibition. AEEDC Dubai Night was attended by the Global Scientific Dental Alliance members and a number of international dignitaries, international speakers and exhibitors from all around the world.

AEEDC Dubai Night presented a number of entertaining shows and exciting activities. The evening ceremony also witnessed the presentation of several awards by the Global Scientific Dental Alliance committee, given to prominent personalities in the dentistry field for their achievements and support to the dental sector.

AEEDC Dubai Personality of the Year Award was presented to Dr. Dr. Juergen Ervens from Germany for his outstanding contributions to the oral health profession.

The recipient of AEEDC Dubai 2017 Special Award was H.E. Abdulla Bin Souqat, Executive Director - Sheikh Hamdan bin Rashid Al Maktoum Award for Medical Sciences for his invaluable support since the inception of the AEEDC Dubai conference and exhibition, the award was received by Dr. Tariq Khoory, Honorary Chairman of AEEDC Dubai on behalf of His Excellency.

“It's my first time in Dubai and the Middle East even, I'm so impressed by the people, they are more than friendly, the city is amazing!

The exhibition is one of the biggest exhibition in the world. The technology that is being displayed is quite impressive. My field is Oral Maxillofacial Radiology. I spend a lot of my time working with CT scanners, I can say that there are more companies displaying CT scanners here than I have seen in United States.

With the 8 conference Halls AEEDC has several sessions with different topics, the speakers are very engaged and audience are asking a lot of questions after each lecture, I believe they are paying attention to this informative conference.

If you are part of the Dental field, AEEDC Dubai is a must place to be!

Dr. Bruno Correa de Azevedo - USA
DDS MS, Diplomate American Board of Oral and Maxillofacial Radiology, Assistant Professor University of Louisville School of Dentistry

”

“We are here responsible to organize the Brazilian pavilion. We have this year 18 Brazilian companies and also hands-on area. This year participation is the best since we started, we started 11 years ago. We are very pleased to be here, it is the best show in the Middle East and North Africa Region and I will see you next year.

Clara Porto
Marketing and Exports Manager
Brazilian Medical Devices Manufacturers Association - Brazil

”

AEEDC Dubai Pre-Conference Activities and Events

AEEDC Dubai Conference

The 17th edition of the Dubai World Dental Meeting (DWDM), 4 – 6 February 2017

DWDM runs 3 days prior to AEEDC Dubai main conference, this year around 10 courses with hands-on workshops were conducted by international industry experts. DWDM discussed several topics related to Endodontics, Aesthetic, Restorative Dentistry, Orthodontics, Laser in Dentistry, Dental Practice Growth, Implantology, and many more. The meeting hosted over 300 participants from all around the world over the course of three days.

AEEDC Dubai 2017 featured many new scientific activities which included Digital Dentistry Society Symposium, Oral / Dental Hygiene Symposium, Endo-Implant: What to Decide? Symposium, Conventional vs. Innovative Restorative Strategies Symposium, and Emerging Speakers Session. In addition to that, AEEDC Dubai 2017 featured also the GCC Preventive Dentistry Conference, AEEDC Advanced Specialty Courses, Poster Displays & Competitions, and the 8th AEEDC Student Competition, the Global Scientific Dental Alliance Meeting, and the AEEDC Dubai Awards.

The 2nd edition of the AEEDC Dubai World Orthodontic Conference and the AEEDC Dubai World Oral and Maxillofacial Surgery Conference was held from 5 – 6 February 2017

The AEEDC Dubai World Orthodontic Conference attracted 8 top-notch speakers from Australia, Italy, Turkey, UAE and USA. The two-full day conference program presented around 11 specialized topics to over 150 specialists in the field.

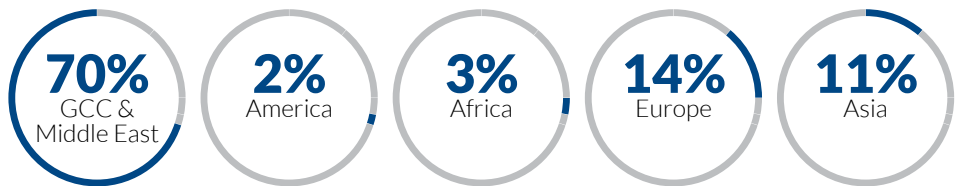

The last day of AEEDC Dubai conference has witnessed also the GCC Preventive Dentistry Press Conference that was presided by 11 heads of dental societies and representatives from the GCC Health Ministries who gathered to discuss the prevention programs and updates of dental diseases in all GCC countries. The conference aims to increase awareness about oral diseases in the region and highlighted the epidemic of dental caries among the GCC countries.

The AEEDC Dubai World Oral and Maxillofacial Surgery Conference attracted 10 top-notch speakers from Germany, Italy, KSA, Turkey and USA. The two-full day conference program presented around 13 specialized topics to over 150 specialists in the field.

Conference Attendees Breakdown by Region

Attendees can benefit from the technical information, basic science and personal experience of those well-known speakers, more than that they can have a continuation of the benefits in the exhibition with the commercial part. AEEDC Dubai is growing continuously, I first participated 10 years ago, everything is growing fast and the quality of the scientific part is amazing, that's why people are joining AEEDC Dubai not for the huge exhibition only, but for the informative conference also. Organizational aspect was perfect as always, as a lecturer AEEDC Dubai took care of us from airport arrival to the leaving point, AEEDC Dubai has amazing staff.

Prof. Jaafar Mouhyi -Morocco

DDS, PhD Director, Casablanca Oral Rehabilitation, Training & Education Center, Morocco Professor,
Head of Biomaterials Laboratory, Department of Bioengineering,
International University of Agadir, Universiapolis

Conference Statistics

Over **170** lectures delivered by **150** world-class speakers

More than **6,000** conference delegates

Over **16** Advanced Courses and Workshops

Topics:

Endodontics, Infection Control, Laser in Dentistry, Oral and Maxillofacial Surgery, Oral Implantology, Oral Pathology, Orthodontics, Pediatric Dentistry and Restorative Dentistry and many more.

This is my second time in AEEDC Dubai, I was a speaker also three years ago. The organizational aspect was excellent, and the team was incredible. Having AEEDC Dubai in this part of the world is perfect as it's like a home for everyone, it's in the middle of the world, so you can meet people here from Australia, UK, United States and Far East, so it become like a habit to be part of AEEDC Dubai!

Mrs. Annie Browne - UAE
FRSPH, BSc(Ed)Hons,

Senior Consultant BLS/ACLS Instructor/Trainer

AEEDC Advanced Specialty Courses

Around 6 advanced specialty courses were organized from 7 - 9 February 2017 with participation of leading companies in the dental field and the participation of 100 specialists.

Poster Displays & Competitions

AEEDC Dubai featured 134 poster abstracts for poster display, competitions and second draft poster category. The poster presentations allowed the authors to meet and get introduced informally with interested viewers. Poster presentations form a platform and often serve as the first opportunity to present their work at important scientific meetings like AEEDC Dubai.

AEEDC Dubai 2017 Poster Award Competition Winners:

FIRST PRIZE Winner:

Dr. Raghdah Emad Abdrabuh - KSA

"We always participate in AEEDC Dubai every year and we are very satisfied and happy to participate again in 2018. Thank you to the organizer and it is really well organized and we are very satisfied."

Basem Wasef
Medical Representative
Johnson & Johnson - UAE

"AEEDC Dubai is one of the most important dental exhibition in the region and I would even say in Asia. We have been participating since 15 years in this important dental exhibition and we are in full satisfaction. To the organizer, keep this professional and very dedicated level of services. It is really high standard. I wish it can continue in the years to come and I hope to see you in 2018"

Charbel Saad
